

Unit \_\_\_\_\_ Test Postmortem Analysis

Name -

Course Name \_\_\_\_\_

Date -

1. List any questions that you cannot find answers to anywhere in the online lecture notes and that were not similar to exercises on assigned worksheets including the practice test.

2. List any questions that you missed because you were confused by the wording or format of the question.

3. List any questions that you probably missed due to being absent from class.

4. List any questions that you missed because of a "dumb" mistake and that you probably would have gotten correct if you took your time and checked your work more carefully.

5. How will this analysis help you prepare differently for the next test?

6. Is there anything else you'd like to tell Mr. Minich about this test?
